Re: Proposed Remedial Plan

Dear Mr. Taylor:

This letter follows up my letter to you dated May 18, 2021, wherein New-Indy Catawba LLC (New-Indy) submitted its proposed Remedial Plan. Paragraph 52(d) of EPA's May 13, 2021 Emergency Order (Order) provides that by no later than noon on Monday, May 24, 2021, New-Indy must submit its final Remedial Plan to EPA for review approval, addressing any comments received from EPA on the draft Remedial Plan. Please find enclosed New-Indy's Final Remedial Plan. Please note that New-Indy received comments from EPA on New-Indy's draft Remedial Plan earlier this morning, and that New-Indy has done its best in the short time available to address those comments in New-Indy's Final Operating Procedures. Also, below is a link to documents that are referred to in the Final Remedial Plan, and documents referenced in Paragraph 52(c)(i)-(iii).
